

## Policy Type: Operational

## Policy Name: Playing-Up

---

### Terms

**'Play-up Request'** refers to a request to have a player moved into a higher age-group

### Description

Play-up requests will be considered under the following guidelines:

1. Play-up requests will be considered only after all players of the proper age have been placed on teams
2. All players must be registered in their appropriate Age Group first, with their Date of Birth as it appears on their birth certificate. Failure to knowingly comply may mean automatic withdrawal from playing
3. A written request must be sent to the Registrar before a play-up request will be considered
4. The technical ability and maturity of the player will be reviewed by the coaches, BSA Technical Director and BSA Executive prior to approval
5. The BSA Executive reserves the right to move a player back to their appropriate age group if deemed necessary
