

# Game Sheets & Scoring Games in the EMSA Portal

### <u>U9 – U19 Community and Premier/Club Teams</u>

## The HOME TEAM is responsible for scoring the game in the EMSA Portal by 1pm the day after the game.

#### **Game Sheet Submission:**

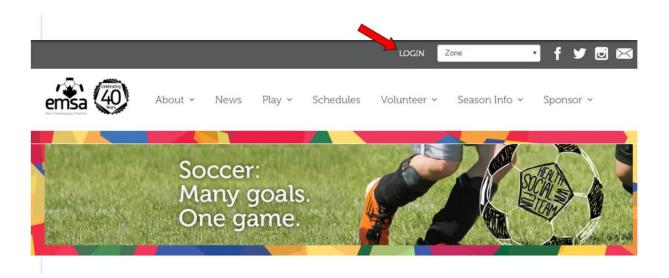

Each team is required to hand their completed game sheet along with any trialist/guest player forms to the referee prior to the game start. At the end of the game the referee will hand in the white copies of the game sheets and all guest player/trialist forms to Facility admissions desk where they will be placed in the EMSA mailbox for staff pick up. The teams do not need to submit any copies to the EMSA office.

#### Game Score Submission Instructions:

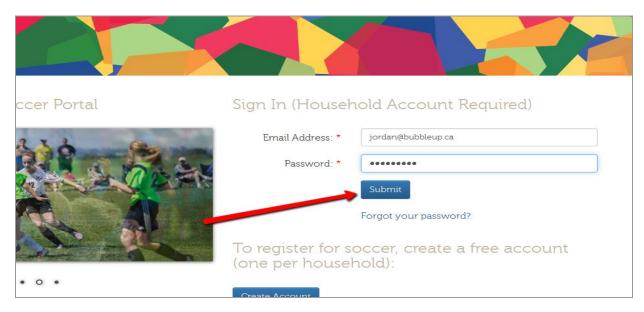

The home team will be required to log into the EMSA Soccer Portal and enter the game score by 1pm the next day after the game. Only coaches, assistant coaches and managers who are registered on the team's roster can be scorekeepers.

#### **Instructions for Scoring Games**

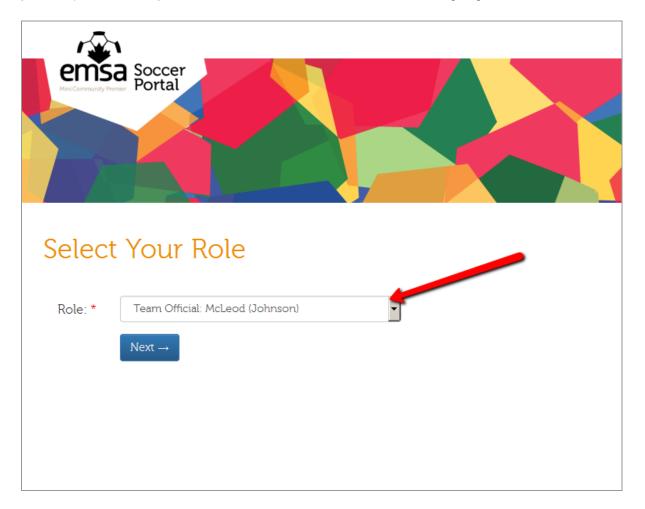

1. Go to www.emsamain.com and click on the **Login** link at the top of the page:

3. Select the Team Official role for the team you are coaching. A person may have multiple team official roles (1 role per team). In this example, a McLeod coach with last name Johnson is signing in.

4. Once signed in, you will be redirected to the Team Official Control Panel. Click the **Manage Score/Games** button.

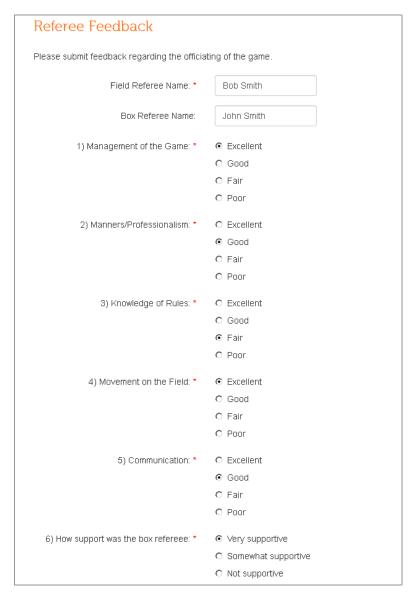

5. On the Manage Scores/Games screen, you will see a list of all games for your team. Once a game is ready to have a score recorded, an edit pencil button will be available. Click the edit pencil button.

6. On the Score Game form, complete the required fields by entering the home team score and the away team score.

7. Lastly, please submit feedback regarding the referee officiating of the game. There are 6 questions to be completed and an option to provide comments. **(optional)** 

- 8. Once the form is complete, click the **Submit** button.
- 9. After submission, the game status will be changed to **Under Review**. An EMSA Administrator will review the game sheet and verify the information has been collected and acknowledged.

10. If the Administrator verifies the game, the status will be marked as **Complete**. However, if there is an issue with an uploaded/faxed game sheet, an email will be sent back to the coach asking for the game sheet. In this case, the status will be changed to **Information Required**.
