Tier 4-9: Can be from the same or lower age / same or lower category or same or lower division as the age group of the receiving team's tournament category in order to be registered on that team's roster with written approval as noted below.

EMSA guest players can only come from within the same zone (for example, Southwest Zone to Southwest Zone or North Zone to North Zone). Non-EMSA or out-of-district teams can only use guest players from their own association or district.

Teams competing in Tiers 4 and lower (Community Soccer) are permitted to use trialists but not to increase their current roster size (total number of players listed on a teams' regular roster). Trialists can only be used to replace missing players, not increase team size to attend the tournament.

All guest player(s) must have written approval from their original team with signatures from their original team as well as their tentative tournament team. Coaches are also asked to keep a copy of the written permission letter with them during all games of the tournament.

PLEASE NOTE: Absolutely NO player registrations will be approved at the tournament HQ – please ensure you have enough team players prior to entering this competition.
