### Introduction

The Beaumont Soccer Association's Strategic Plan aims to strengthen community partnerships by identifying potential collaborations. In 2025 BSA hosted their very first Soccer tournament to help raise funds for the Ecole BeauMeadow School Playground. The event was run by the Parent Council of the school and supported by BSA for a successful fundraiser.

If you're interested in hosting a soccer tournament for your school fundraiser, please contact [president@beaumontsoccer.com](mailto:president@beaumontsoccer.com) to discuss this opportunity.

Whitney Stevens, BSA President
